

From the Desk of Fr. Paulo...

MAINTAINING NORMACY AS POSSIBLE By BEING INFORMED.

Aloha brothers and sisters in Christ, trying to keep our spirit up and striving forward, knowing this Covid -19 Pandemic will pass, I intend to keep you all inform of any pertinent information coming out of the Diocese-Bishop's Office and of what is generally happening in our parish by the "Parish Bulletin."

This adjusted "Parish Bulletin" will be e-mailed out so that you may be informed especially of the weekly events unfolding in the parish, despite your physical absence now.

Hopefully those with e-mail address may reach out to members in your family without one, as we are also texting information out too.

I also want to extend my mahalo nui loa to parishioners and friends of the parish who have mailed in or through the on-line giving, have donated to the parish. Your generosity continues to sustain our parish in this difficult transition. Be assured of my gratitude and prayers.

Though there is not guarantee that we can again gather in the church for masses, after the lockdown period ends this month (April 30), I hope that some form of gathering safely can be made possible.

Now though you may not be able to attend the Sunday Holy Mass and the reception of the Eucharist in person, do your part to keep your spiritual life alive (healthy) just as we all do to take good care of the needs of our bodies.

Let us continue to bring to our awareness (consciousness) what the Lord's Day (Sunday), the Holy Mass and the Holy Eucharist is for us Catholic Christians, by streaming and family prayers.

God Bless you,

Fr. Paulo ofm cap.
