

Chaminade
University
OF HONOLULU

Aloha!

I would like to invite you to nominate someone to be a Chaminade Scholar.

Chaminade Scholars form a community of life and learning that provides each member with the support needed **to excel academically, to pursue spiritual development and to thrive socially at Chaminade University**. Through service, academics and reflection, Chaminade Scholars will gain insight into their gifts and talents. **A Chaminade Scholar is challenged to discover his or her life vocation, to be a servant leader and to use God-given gifts and talents to pursue the common good.**

I would be grateful if you would hang the posters included in this mailing in an area of your church where students who are seniors in high school will see it. If you could give one copy of the poster to your youth minister that will help us to reach a group of students that we have found to be good prospects for the program.

I believe that parents would also like to know about this scholarship opportunity. If you could make an announcement at mass or put an item in your bulletin directing parents to the poster, I would be grateful. Helping parents to know of this scholarship opportunity and the many academic programs that Chaminade University offers may help one or two students each year to find their place to continue their education.

We would love to have at least one student from each parish in Hawaii as a member of the new class of Chaminade Scholars when we begin school in August 2022.

If you have questions about the Chaminade Scholars program, please do not hesitate to contact me.

With gratitude,

Bro Ed Brink, SM
